Comparing Cash VS Donations of Securities

If you sell a security, you pay tax on 50% of the capital gain.

However if you donate a gift of securities to the Royal Alexandra Hospital Foundation the **taxable gain is** completely eliminated.

You receive a tax receipt for the full market value of the security based on the closing trading price on the day the Foundation receives the security.

Example Donation	of cash vs securities to the Royal	Alexandra Hospital Foundation
	Sell security & donate proceeds	Donate security "in kind"
Market value of security	\$10,000	\$10,000
Cost base	\$5,000	\$5,000
Capital gain	\$5,000	\$5,000
Capital gain inclusion rate	50%	0%
Taxable capital gain	\$2,500	\$0
Tax on capital gain (assuming 48% marginal rate)	(\$1,200)	\$0
Donation tax credit (54%)	\$5,400	\$5,400
Net Tax Savings	\$4,200	\$5,400
Net After-tax cost of donation	\$5,800	\$4,600
By donating	the after tax cost of your gift is reduced	by \$1,200 on a gift of \$10,000.

For further information or to discuss your donation and recognition options please contact:
